THE IMPY

Fresh Produce. Seasonal Flavour. Local People.

We're proud to support the small businesses, makers and producers of the Tweed Valley and Northern Rivers Regions, sourcing fresh, seasonal ingredients wherever we can.

From our sauces, gravies and sides to our seasonal accompaniments and everyday favourites — our kitchen is about keeping things fresh and making them in-house.

We take the pub classics you know and love and make them with quality local ingredients, and thoughtful preparation.
